

# Pickup Service

**Fritze's BBQ & Catering** offers a convenient pickup service for events or large orders. Our catering team handles all large pickup orders, please contact them directly. For regular lunch or dinner pickup items please call the restaurant at (830) 331-9903.

We recommend at least 24 hours notice for a large pickup order. During the busy season and holidays or for a customized order we may require more. **Same Day Pickup Service** for large orders may be available, depending on the menu items chosen and time of day.

If you have small or large event planned and want to provide delicious food – call our catering team and let us do the work for you. Pick up the food at your convenience.

An order will be available for pickup at the time requested, however extra time should be allowed for loading a large order, especially during the lunch hour. An ice chest may be needed to keep the food hot or cold in transport as well as to avoid spillage.

A pickup order will include the food and beverages requested along with condiments (pickles, onions, jalapenos and BBQ sauce) and bread. Plates, plastic ware, cups and serving utensils are an additional cost.

The food will be in aluminum pans with lids as in the photo below and in the case of liquid items, in appropriate containers to avoid spillage in transport. The meat will come sliced and ready to serve.

Food for a pickup can be ordered from our meat-by-the-pound and our bulk sides menu. Prices are available on our website under *Meat By The Pound* and *Bulk Sides* under *Pickup Service*. The amount of food needed for your event can vary depending on the age and gender of your group. Our catering team would be happy to help you determine the amounts needed.

**Boxed Lunches** are available for pickup upon request. They usually contain a sandwich, a side or chips and a dessert. Boxed lunches are custom designed to fit your need and budget and a minimum of 48 hours prior notice is needed.

**Fritze's BBQ & Catering** famous Bud's Spuds, a huge baked potato with all the fixin's (butter, cheese, sour cream, bacon and optional pulled pork or chopped beef) are also available for pickup with advanced notice.
